

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

HEARING OFFICER DIRECTIVE

DOCKET NO. 2014-372-T ORDER NO. 2015-1-H

JANUARY 2, 2015

Hearing Officer: B. Randall Dong

DOCKET DESCRIPTION:

Application of Rasier, LLC for a Class C - Transportation Network Company Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier

MATTER UNDER CONSIDERATION:

Motion to Compel of Checker Yellow Cab Co., Inc.

HEARING OFFICER'S ACTION:

This Hearing Officer Directive memorializes the conference call held January 2, 2015. Present on the call were counsel for all the parties and multiple members of the Commission's legal and technical advisory staff.

Commission counsel advised all the parties that if the Applicant were to insist that Checker Yellow's discovery requests were not properly served and therefore void, the Commission would grant leave to Checker Yellow to re-serve all requests, and that this would delay the hearing in this matter. Upon being so advised, counsel for the Applicant agreed not to continue its objections based upon method of service in order to allow the Commission to address more substantive issues and attempt to preserve the scheduled hearing date.

Counsel for Checker Yellow agreed to supplement its motion to compel by providing the Commission with copies of all discovery requests and responses to date and identifying with particularity which of those responses were inadequate or improperly objected to no later than the close of business on Monday, January 5, 2015. Counsel for the Applicant agreed to respond to Checker Yellow's revised filing no later than the close of business on Thursday, January 8, 2015.
